

BRADFORD G.C.

FOR YOUR OWN SAFETY AND THE SAFETY OF OTHERS

GREENS STAFF: Have priority at all times.

Players are expected to wait for staff to acknowledge them and move out of range, **BEFORE** playing a shot that might endanger them.

DO NOT assume a greenkeeper will be able to hear or react to a shout of “FORE!”

THE COURSE, ITS STEPS AND SURFACES may be slippery when damp or wet. Wherever possible, keep to covered areas of footpaths and steps.

Golfers must ensure to wear appropriate footwear to meet the prevailing conditions.

Take care on steep banks and when entering or leaving deep-sided bunkers.

LIGHTNING: In the event of an electrical storm, suspend play immediately and taken appropriate action. Shelters do not provide adequate protection from lightning.

POOR VISIBILITY: Do not continue play in fog or darkness, when you cannot see the clear distance of your intended shot. You will be putting others in danger.

BUGGIES: To ensure the safety of all golf course users, buggy drivers are required to comply with the Club's Buggy Policy and follow designated buggy routes at all times. Take particular care on slopes and around ditches and deep-sided bunkers.

PUBLIC FOOTPATH: Priority must be given to road and path users at all times.

Players must not play shots until the way ahead is clear.

The public footpaths are marked by Green & Yellow marker posts
